Try an E-Bike

Kirkburton Parish Council is supporting a scheme to show residents how e-bikes are a clean, green way to travel

With an electric motor to help you pedal, e-bikes make journey times shorter and hill climbs easier. Finding the right e-bike can be difficult and expensive, so we're offering local residents the chance to try one locally for free.

Visit our E-Bike Roadshow

- talk to us about the benefits of e-bikes
- find out about the Kirkburton Parish e-bike library
- book a test ride at one of our e-bike roadshows

Shepley Methodist Church, Lane Head Road
Saturday 24th July 10.30-4.30

Burton Village Hall, Northfield Lane
Friday 30th July 10.30-4.30

Lepton Methodist Church, Highgate Lane
Saturday 31st July 10.30-4.30

Kirkheaton Community Centre, Fields Rise
Sunday 1st August 10.30-4.30

To book a test ride go to Eventbrite and search: 'Try an E-Bike' and choose one of the locations above.

Find out how to join the Kirkburton e-bike library. You could be eligible for a free two-week loan scheme, running from August to end October 2021.

Further info and registration for e-bike library at www.epiks.org.uk

Try an E-Bike events are supported by the West Yorkshire Combined Authority's CityConnect project
