29 October 2021	Closing date for receipt of completed forms with all supporting documentation. Late applications will be automatically refused.
December 2021	The decisions on all of the applications will be listed in the Grants & Community Projects Committee minutes.
April 2022	Payments will be made.

Eligibility

To be eligible organisations must fulfil the following criteria:

1. It must be a community group with no restrictions on membership, located within the Parish and provide benefits to local residents.
2. It must have a Constitution or Mission Statement showing what the organisation does and how it operates.
3. It must have a bank account in the name of the organisation making the application.

Churches and schools are not eligible for a small annual grant, but they may apply for a general grant and a clock grant, if they meet the criteria.

Maximum Grant: £300.

What can the grant cover?

The purpose of the small annual grant is to help organisations to keep operating. Grants can cover expenses such as venue costs, insurance, equipment needed to function, summer trips, Christmas parties, uniforms for bands, new instruments, essential volunteer training, etc. This list is intended as an illustration of what the Parish Council can fund and is not exhaustive.

Is there anything which cannot be paid for by a small annual grant?

Most things can be funded by the Parish Council, but occasionally there are some items which it cannot legally pay for. If your application falls into this category, the Clerk will contact you.

The grant cannot cover the cost of any items already purchased, sometimes referred to as retrospective grants. So groups must wait until the Council has taken the decision at the December meeting before placing any orders. If orders or purchases have been made before the decision on the grant has been taken, the application will be invalid.

How to apply?

Groups just need to answer all of the questions on the small annual grant application form, and supply the most recent Constitution or Mission Statement, unless the Parish Council already has a copy on file. The application and supporting documents must be received by the deadline or it will be automatically refused.

How is the application dealt with?

In the first instance applications will be considered by the Grants & Community Projects Committee, which will make recommendations to the Council. The Council will take the final decision at the December Parish Council meeting.

The outcome of the applications will be included in the November Grants & CP Committee minutes, which will be uploaded to the website after the December Parish Council meeting:
